Pathways Joins Overlook Medical Center Pastoral Care Advisory Committee

The Overlook Medical Center Pastoral Care Advisory Committee recently invited Pathways Director, Lesley Andrews, to join the Committee. Overlook Pastoral Care includes certified chaplains and Clinical Pastoral Education ("CPE") student chaplains. The CPE program is one of the largest in the region. Theology students, lay people and clergy of any faith enroll in the CPE program to become qualified to provide emotional and spiritual support to Overlook's patients and their families. For over nine years, Patient Educators from the Women's Cancer Teaching Project have worked with CPE students to help them better understand the patient perspective, enhancing the students' abilities to support patients in the hospital.
