### WATER EXERCISE CLASSES

*\*Registration required for ALL Gentle Aerobics classes*

#### Beginner Water Exercise Programs:

##### **Aqua S.P.A. (Special Population Aerobics)** Tu 12:45p

An aquatic exercise program designed specifically for people with arthritis, osteoporosis, and related health concerns. This program uses gentle activities to help increase joint flexibility and range of motion, to maintain muscle strength, and to increase stamina.

##### **Gentle Aerobics** Wed 12:45p

Enjoy the water through exercises which will support joints, encourage free movement, and act as resistance to help build muscle strength. Ideal for someone who is developing or has muscle concerns and needs to be mindful of the stress that land activities can cause the body.

#### Intermediate Water Exercise Programs:

##### **Aqua-Intervals** Th 8:30a

Warm up, stretch, and get your body moving as you quickly progress into intervals of cardio and strength training exercises in the shallow water. Then make your way to the deep water where your workout continues and gets your body energized for the day.

##### **H2O Fitness** W 8:30a, Sa 1p

A high energy cardio class that uses exercises specifically tailored to work different body parts with equipment incorporated to increase intensity and resistance. This class finishes with a powerful ab routine that will keep your heart rate pumping.

#### Advanced Water Exercise Programs:

##### **Aqua Boot Camp** Tu 8:30a

Step up your routine with this athletic style workout, where participants work at high levels of intensity. General movements such as high knee and hamstring jogging, kicks, jumping jacks, cross-country skiing, and squats are used at various tempos and intervals of resistance.

##### **Aqua Zumba** M 8:30a

An invigorating workout were aqua meets dance. We will make you sweat while having fun at the same time! It combines a variety of workout styles including deep and shallow cardio exercises, equipment and fun DANCE moves used for muscle toning!

##### **Total Body Toning** F 8a, Su 9a

Focus, engage, and tone every muscle in your body through the use of water resistance in both the shallow and deep water. This class promises to have your heart rate moving with a combination of fast paced cardio and core strengthening exercises.
